FANTASY BANGER

Dear FOX: I have this fantasy-type goal, which is to bang every single woman in the world! I mean, obviously that isn't exactly possible in the traditional sense, but I have a plan. If it's true that with everyone one you bang you're essentially banging everyone they've ever banged and so on and so forth, then I figure if I just keep on banging I'll eventually get close to my goal. I know there's some sort of formula that can be applied to this, but I've never been much good at math so I don't know where to begin figuring it all out. I just think that if I keep my eyes on the prize and dipping my dick in every chance I get, I'm inching closer to where I want to be.—*Vance in KY*

THE KING OF JACKRAGS

Dear FOX: Your jackrag is the king of all jackrags, I should know my name is Jack. Ha. But seriously, it is, and I should know a thing or two about jacking since I do it often enough. In fact, that's about all I do except when I'm workin and even then I sneak away to toss one off as often as I can. I can't help myself, it's just the way I was made. I'm hornier than most, it's my cross to bear. But I thank the almighty often for publications such as yours or else I'd have a difficult time figuring out where to direct my sperm steam I gotta blow off, I gotta blow off A LOT. I have myself a couple of girlfriends but they can't hardly keep up with me. Always beggin' off saying they're tired or sore but

I've got needs, you understand what I'm saying? But I respect them when they tell me they don't want to put out no more. I may be horny but I am not a monster. My momma raised me proper. So that's why I've got to take care of things with my own two god given hands.—*Jack in MN*

SAVORS THE FLAVORS

Dear FOX: Out of all the flavors of women, I like blonde the best. I've tried a bunch of other kinds: Asian, chocolate, raven haired, brunettes, fire crotches, Indian (dot and feather), and I once had a Canadian chick a long time ago when I was at sleepaway camp who had sort of dirty blonde hair but I consider her nationality to be more definitive

as far as what sort of category to place her in. It is my experience that blondes with fair skin taste the best from the inside out. That is to say, their pussy juices are both light tasting and refreshing not heavy with a clingy flavor that you can't get away from except after two or three brushings of the teeth like I experienced with most of the foreign gals I've had (except possibly not the Canadian I brought up before but I honestly don't remember much about that except she kept calling me Ted! Ted! when that's not in fact my name but I let it slide because her pussy felt so good clamped down around my pecker.) I also will only ever rim out a blonde, not any other kind of woman no matter how much they beg me for it and believe you me a ton of them ask me all the time. All gals want their salads tossed, whether they are experienced to know to ask for it or not. But I have standards and I will eat BLONDE ASS ONLY. There it is. This means I would eat out the pretty poopers of the likes of Ash Hollywood, Alexas, Texas, Kayden Kross... Yummy yum yum yum. —George near Vegas via email

THE SPITTIN' TRUTH

Dear FOX: Man am I a ass man & I also love to see a girl spit cum in another girl's mouth or face or make out wile a guy cums in thare faces wile mack-ing out witch I haven't seen yet (well I have onle seen bout will less than 10) but I am hooked & got to have FOX in my cell now. I have spent 20 stamps on a 2003 May issue and steal have it! But please can you shoot a seen or one pick ware a girl is spit-ting cum from her mouth into another girl's mouth? Sincerely—Ron V.

TIME ON HIS HANDS

Dear FOX: I'm a huge fan...So much that I have the FOX logo tattooed on my arm. I would send you a picture but I'm currently incarcerated for the next 4-6 years...When I get out I plan to send you guys a picture. I'm writing because I loved the No- vember 2013 issue with Bonnie Rotten...She is so sexxy and looks like a bad ass Sandra Bullock... (shocked Jessie James has not tried to make her his 42nd wife...lol) I notice she has "Dead Girls Don't

Cry" tattooed on her. In Maryland we started an organization called DMI (Dead Man Inc)...I would like to know if Bonnie would like to be our official DMI porn star...Please give her my info if she is interested...Thanks and keep up the good work. Love, loyalty and respect...P.S. I choose FOX over Butthman any day!!!—G. from MD

FOX ON THE INSTALLMENT PLAN

Dear FOX Magazine: First I would like to say how much I love your magazine. I'm locked up in a Maryland correctional Facility in Baltimore, MD. Since I'm in this certain facility, my father buys the magazine on the outside and sends me the cover & first 5 pages, then the next 10, & then the next 10 & so on until I have the whole magazine & for me it's worth it & I love all the girls in it. Now I have a question, is there any way you could do an issue featuring pics of Sasha Grey, Gina Lynn, & Belladonna. I would like to see each one of them posing, sucking dick, & getting fucked. Thanks for everything.—David in MD 🐱

ASH HOLLYWOOD

TOMMY & JOHNNY

Bros before hos, (fistbump) but yo, hold up a sec...what's a ho between bros? 'Specially when she's not the typical, busted, hit-her-and-run type ho, but rather super nasty, super sexy, super fun Superho Ash Hollywood? Now *there's* a piece of ass worth feuding over. But the best part about Ash, aside from her snatch and all, is her willingness to fuck YOU and your roommate/coworker/homie TOO! (as in ALSO as in AT THE SAME TIME!) Tommy and Johnny discovered this fabulous fact about her when they hit on her simultaneously at a party and both got heated. At that point Ash took control and made sure things came to blows, then soothed each stud in turn with the incredibly calming clench of her cunny. She coddled the two pals' knobs until she bust both their nuts all over her lips (top AND bottom!) Ho, yeah! 🍆

ANIKKA

The extremely blonde and (dare I say at the risk of sounding melodramatic) beautiful Anikka Albrite will be worked over today by a nice array of bad girls in the form of Jodi Taylor, Maia Davis Cici Rhodes and Alice Frost. An excellent choice to conduct this symphony of estrogenic mayhem is Hall of Fame director and whore whisperer extraordinaire Jim Powers, who has many porn lifetimes of experience at herding and skillfully managing large aggregations of anarchistic and naughty porn girls toward the most auspicious result possible. There is even a "plot" here, upon which this moist probe fest will drape itself to give it meaning and context, not that it couldn't stand on its own...we are of course in the ART business.

"It's one classic story," Powers informs. "She's in a relationship and the boyfriend says he wants to explore the world and try out other pussy and see other people. 'It's not you, it's *me*.' He's going to take off to Europe and she's devastated. She comes back to her apartment and rents a room and has sex with one of the girls living there. She decides to get a bunch of girls over to have a slumber party and instead of making s'mores or some skinny martinis or whatever, a pillow fight breaks out. The aggressiveness of all of the women makes their pussies all wet and they're making out. Chicken feathers are flying all over the place and they can't control themselves so they have sex. It's a love story!"

Anikka Albrite has just finished shooting a lick and probefest in the kitchen with Maia Davis. She readies herself for whatever is to come while re-applying makeup and slipping into bikini underwear. Powers rounds up the ladies, along with a big pile of freshly purchased feather pillows that are being presliced with a knife by an assistant, which will facilitate their explosive power when cracked over a porn girl head.

"Anikka is really depressed," Powers lectures the group. "Her boyfriend just dumped her and you guys are really sympathetic. We're just going to have a fun slumber party!"

He picks Jodi Taylor to land the first pillow blow and, knowing that things will happen fast, he needs to think ahead: "After the pillow fight why don't one of you guys just pull Anikka aside and give her a full lip-lock!"

During what very well may be the greatest porn girl pillow fight ever conducted, this bedroom on a namelessly quiet San Fernando Valley street is quickly turned into a fucked-up mess of feathers that cover nearly every inch of bed and floor. After photos are taken to sufficiently memorialize this happening, the bed sheet is cleared off and the girl romance starts.

"Just suck her tits," Powers yells. "Suck 'em! Show me some heat!"

Each pussy present will be utilized in sequence.

"Alright you guys, take turns now," he says. "Pussy on Anikka's face cowgirl! Let's go!"

ANIKKA ALBRITE: I'm originally from California, and I'm a combination of Danish, Czech, French and German. I'm passionate about traveling, and have been to twenty different countries so far. I love anything having to do with the outdoors, hiking, camping, scuba diving, skydiving and anything else that's super fun and adventurous. ...I started two years ago. I had actually wanted to try it out for a long time. A photographer friend of mine knew the agents and helped me hook up with some of the people. I did so much stuff before porn. I was going to school and majored in molecular biology and business. Then I went ahead and I changed my major to nursing and that is still something I'd like to revisit in the future. I did promotional modeling, worked as a waitress and I did hospice care. All kinds of stuff. ...I love incorporating food with sex. I think that's pretty hot. I really love kissing. It totally is something that gets you off and turns you on. My mom would always say "Don't get any massages from boys because that leads to sex" and I would say to her, *Massage doesn't lead to sex, kissing does!* ...I love it when I'm on top because then I can really hit my G-spot perfectly. Even before I began doing porn, I've always been very open-minded and kinky, and down to try lots of really weird, out of the ordinary things. I loved bondage, I never did real bondage with ropes, but I loved to play at home with my boyfriend and have him tie me up with ties or with belts, or even with T-shirts, and even gag my mouth shut, that was pretty cool. ...When I'm fucking I like a lot of energy and creativity and spontaneity. I like fucking hard and fast, and I like fucking slow. I really like taking it from one level to the next and back down again, and really mix it up. And when it comes to getting myself off, I have my really cool Hitachi Wand, but sometimes I have to give myself a break from it because it totally desensitizes me to the point where not even my own fingers will do the trick anymore. I also have a G-spot stimulator which is made out of steel, so it's really heavy and it hits my G-spot perfectly. Speaking of dildos, I got fucked by so many in today's scene, I can definitely tell you which ones of those are my favorites!

ANIKKA: Me and anal, we're going to be good friends! I did my first anal scene with Mick Blue. It was pretty cool, it was definitely a very creative and wonderful movie, it went from sweet and passionate to just animalistic fucking. And oh yeah, Mick pounded the fuck out of me! It was great, because we've got great chemistry, and he knew exactly what spots to hit, so it was perfect for my first anal scene! ...My whole family knows about what I do, and especially my mom and my older sister love to hear about all the things that happen on-set, and my mom is actually my biggest fan! She's on all the forums, and keeping up to date, she says, "I want to know what's going on with my daughter, if I don't hear from you in a week, I go on the forums!" And the rest of my family also knows that I do porn, they don't really like to talk about it but regardless, they're all completely supportive. ...At this point in my career, I'm just sort of feeling it out. When I first got into porn, I did it because I thought it would be fun. I figured, yeah, I'll try it out and see how it goes, but it turned out to be way more than I expected and in a good way! So I plan to stay around for a while, and eventually I'd like to direct.

Because there are no males having sex today and, in turn, no cumshots to manage, it's just a matter of getting all the specific penetrations and vaginal manipulations accomplished. Anikka sucks every pussy, gets head from each girl and gets completely railed by a succession of dildos and vibrators.

"How you doing down there?" Powers asks during a momentary violation check.

"I'm happy," she answers. She can take it. No complaining. "Then go ahead lick that thing!" he cheers the violators. "Chew that thing! Trembles of joy!"

Bearing the countenance and considerable looks of a clean living and breathing fresh-faced California good girl, Anikka Albrite could have held out and been whisked off the street into some McMansion of her choice by a rich businessman or millionaire inheritance baby in search of a trophy wife. Instead she chose to conquer new erotic vistas of self-realization.

"I was very kinky," she says forthrightly. "I would stay up until six or seven in the morning just fucking. I was insatiable. I love sex and a lot of times I just wore the guys out. I love watching porn and I love trying new things and very kinky stuff. I was always into doing sex in public without getting caught also. That kind of a girl".

Anikka Albrite is on the rise as a conspicuously wonderful porn girl. No, really. There is specialness here. She is super nice too. Watch this one. 🐱

It's apropos for Cassie Laine to sport the pure white wings of an angel because between her flawless legs lies a damp slice of heaven. Like any savvy slut, she is keenly aware of the miraculous power her pussy possesses to bestow otherworldly amounts of pleasure upon whomever she may choose. So thank god Cassie opts to use her special coochie magic for good rather than evil by putting out as much as possible so that many might enjoy her carnal charms. She just eases apart the smooth, pearly petals of her gash and anyone who's worthy may enter. Full confession: Cassie basically lives to feel her slit stretched—around a cock, around a couple of fingers, around something that buzzes and is battery-operated. And if at some point her rosy bud of a tushy hole gets the taffy treatment too, well...wet dreams are made of this. 🐱

DIRECTOR
PORNO DAN

SLUT 'N' PUPPET
RIKKI SIX, PORNO DAN

PIXXX & ARTICLE BY JEFF HUBRIS

Rikki Six is a swiftly rising star in the brutally fickle porn universe. Porno Dan will tell you all about it.

"She's the new greatest girl in porn history," he crows. "I've kicked all of the other ones to the corner. She's as happy and sweet as Kaylee Hilton, is as crazy sexually as Tanner Mayes and is as pretty as Britney Amber all wrapped up in one."

There is a slight touch of optimistic cynicism to Rikki Six's voice which is endearing, like everything is being made fun of before it even happens, even when she's being on the level, like when I ask her about what it's like to fuck in porno as opposed to real life.

"Now there is no *Oh my god are they going to call me?* after I fuck them. You have to think about all that, you know?" she says. "Now you just kind of know that you are going to go fuck and then you leave and you get paid for it!"

There is much to be said for making an emotional clean sweep of the fuck experience. That next day expectation phone call is always a drag anyway, for everyone. Regarding specific branding of the gazillions of webcam fuck scenes manufactured here at the Immoral Productions Studio, Porno Dan seems to have finally thrown in the towel. I enquire as to if there is any specific direction for what is to take place tonight.

"I don't know...we're just going to have fun," he says in a semi-exasperated marketing voice. "That's all we ever do. I've given up trying to figure out what happened before. Any semblance of order is officially gone from Immoral Productions. Controlled chaos in the happiest place outside of Anaheim! Here in my little domain that I've created!"

Travis Varjak shoots Rikki rubbing one out on the Immoral Productions porn couch and then Dan breaks out the Sybian orgasm machine. Rikki squats on the apparatus and hoovers Dan while he stands operating the Sybian controller with one hand. They end up fucking on the couch and Dan blows a load from mish. Then he soberly addresses the webcam.

"We're going to take a quick break because I came so quick and easy," he says apologetically. "I suck! I'll be hard again in a second."

This Rikki Six is up for anything and is fun, fun, fun.

"I don't know why but I just stay wet," she explains over some goldfish crackers and a Dr. Pepper, just one of the popular *haute cuisine* combinations offered up by the Immoral Productions catering department. "I just stay wet all the time. I just get wet at the beginning and I stay wet and if I cum it's really super wet. I don't know why I do but I'm glad I do!"

Not a problem! Dan kills some time by having her answer questions from viewers. After a recuperative moment, it's time for round two. The fans on the internet are hungry for more penetration time.

"I can cum again!" Porno Dan says confidently. "Don't worry!"

RIKKI SIX: I'm from Riverside, CA. I went to school for dental assisting and I finished that. Then I went to school for nursing and I halfway finished that but I did enough to get my medical assisting certification. I finished that but I kept getting bored with every thing. I stripped in the meantime. I don't know, I get bored easily so I really can't have a normal job. I end up wandering and walking around and drawing and finding other stuff to do, so this is like perfect. It's like something different every day and somewhere different every day and new people all the time so I don't get bored. Me and my best friend were always like that. I call her my twin because we are exactly alike. We would always have threesomes in high school and we would always do random crazy stuff. I'm never shy. I always ran around naked. We were always kind of like the team. Crazy together. I guess we were experimental you could say. It all just escalated to this. ...The guy has to be dominating. If you cannot be dominating it's not going to work. You have to play with my clit a lot. I like to be tied up and I like to be choked but not so choked that I'm not breathing. I like when he just like takes control. I get off more when a guy licks my pussy than during sex. I'm usually on top. If I'm on the bottom it usually doesn't work. But doggie is my favorite just because I like the way it feels but to get me off I have to be on top. I just did an orgy with eight guys, that's the most I've ever been with. I'm fairly new. It was fun when I started. My first boy/girl was like a POV so it was kind of easier. It wasn't bad. I wasn't scared or nervous or anything. I just remember it took forever.

RIKKI: I never really got any compliments on my pussy until I got into porn. They tell me that it's pretty. I'm like, okay, I just take their word for it. I'm not really sure what they mean. It's small and I guess sort of narrow. Like when I do a scene if the guy has a big dick or something I kind of get scared but it doesn't hurt me. It's not easy for me to cum during my scenes. It never has been easy for me. They really have to know what they're doing, but if you rub my clit in the right spot I'll cum just like that. You just have to find the right spot. I think my G-spot is more low than most people's, I've been told. You can try for days but if you just won't find it I just won't cum. ...I don't do anal. I did it a couple times in my personal life and I don't prefer it really. ...All of my girlfriends just kind of like ditched me because they don't like it. All of my guy friends are cool with it. They're still like the same. ...I like to snowboard and wakeboard. I like rollercoasters and jet skiing. Anything really kind of active but not camping. I hate camping. I hate bugs and I hate snakes and sharks. ...I eat whatever I want. I eat really bad. I love fries, I always have to have fries at every meal. Chicken fingers, ranch, Del Taco, chicken sandwiches... Mexican food? Bomb! Barbecued chicken pizza? Bomb! I never work out except for sex. ...How many times a week do I fuck? Including porn or outside of porn? I have no idea. Like 15? A couple times a day at least. My pussy is like elastic, it just kind of goes back, which is a good thing. ...No, I have not fucked and would not fuck one of my dad's friends. You guys are all weird.

It is agreed that cowgirl is the only position not yet covered. They fuck in cowgirl and reverse, she squirts and then they finish up in doggie. Dan activates another load across Rikki's ass as promised.

"Even Jesus would be proud of me," he says with his arm draped across a lounging Rikki. "I think Jesus would be very proud. If Jesus saw her he would go, *I did a good job making this one!* That's what JC would say!. There you go, JC. Thank you JC for making Rikki!

Porno Dan addressing our personal lord and savior JC over the webcam after blowing a couple loads? No big deal. But of all the bizarre moments in time I have been privy to during my thousands of hours of porn set labor, the image of Porno Dan operating the Sybian while getting BJ'd by Rikki Six lives as one of the most poignant. The symbology of the infringement of technology upon the sexual act, together with the dutiful, impersonal tedium of the drive to "orgasm," achieved for the sake of a virtual paying audience of nameless, faceless gawkers out somewhere in the ethereal internet is a sweeping absurdist art statement achieved most eloquently, by accident. Like most of the offhandedly bizarre activities taking place at Immoral Productions, it's all an anti-avant garde ongoing mistake. Just beyond the pale. Thank you for the art, Porno Dan. 🐱

MIA
MALKOVA

It's as if 2014 AVN Best New Starlet Mia Malkova was built specifically for sweaty, raw, hi-impact sex: she's beautiful, blond, bendy...but, as any of the truly great FTFDs (full-time fuck dolls) will be quick to admit, it takes more than a great ass, a few double joints and an award to leave a lasting impression upon the fickle landscape of XXX film. A babe's gotta have some brains as well. Any porn gal lacking the smarts to realize she's gotta really and truly love getting fucked A LOT (like, more than sunshine, more than air) and take the Humpocratic Oath to NEVER phone it in, well she's not going to last long grinding meat. Mia is an excellent example of one who is currently fulfilling her true calling—the sheer enjoyment of her job just oozes out of her every perfect pore. Get a load of her lusty smile, the way she arches her back, that dirty twinkle in her eye. Now get a load OFF...she's totally worth it. 🐱

DIRECTOR
ERIC JOHN

SLUT 'N' PUPPET
BRANDY ANISTON, ERIC JOHN

PIXXX & ARTICLE BY JEFF HUBRIS

34178

Brandy Aniston meats Eric John. Worlds explode. Porn legends run wild! Eric John *and his 9-inch cock* (these two entities are now one, it's not just a marketing ploy anymore, they're rarely referred to separately) have not yet arrived because he is off somewhere else droppin' loads in, on, or around some other woman or group of harlots brought together by porno on another porn day under the shining L.A. porn sun. It's just me and Brandy for now and I'm very excited to find out that she does all of the voicing for the AVN Porn Awards show in Las Vegas.

"Nominees for most outrageous sex scene in a feature!" she carols in pristine voice. Wow, it really *is* her! Holy shit!

"I never enjoyed my voice before but now it's funny to be making money off of it. I make the most money off of my least popular holes. You know what? Now it's become my most popular. I still believe that my other holes are very loved, but my mouth wasn't my moneymaker before and now it is!"

All of a sudden Eric John *and his 9-inch cock* make their entrance. His gal Raven Dawn is here also and a conversation erupts regarding Eric *and his 9-inch cock's* sexual frequency.

"This man gets more vagina than anybody I know," says Brandy. "If this was an Olympic sport, Eric would definitely have a gold medal."

"I'm a little disturbed," EJ answers, his cock silent. "It's been a little off lately. The numbers have been too low due to travel."

"It really has," confirms Raven. "Eric's only had three vaginas today and it's already three o'clock!"

I would like you to notice, dear reader, the glory of the porno girlfriend who is here to support her man in his quest for more vaginal penetrational footage. This is Porno World, as opposed to Shithole World, where GFs and wives confine you to their shop-worn, bored, going-through-the-motions vagina. You're a vaginal prisoner, as opposed to a man like Eric John, who is encouraged by his SO to explore new vaginal worlds, to find new vaginal civilizations, to vaginally go where no man has gone before!

Brandy Aniston is a very experienced porn performer and has made sex with Eric John on many occasions. The blowjob is unself-consciously relaxed, administered by one who is intimate with the niceties of oral pleasure technology, as well as the intuitively realized code of familiarity that separates a homespun, attentive sport fuck from a coldly administered hooker experience.

BRANDY ANISTON: I was born in Huntington Beach in Riverside County, and grew up in a little town called Menifee, CA. Actually, there's a lot of us in the porn industry that grew up there. Me, Nicole Aniston, Brad Benson, Tanya James, Scarlett Fay, we all went to high school together! I've been in porn now since 2008. Originally I wanted to be a mainstream performer. I'm a professionally trained actress, model, dancer and singer. I was a stripper for a long time before I started doing porn, but I just didn't want to do the late nights anymore, and got tired of the whole mind games thing talking with men wanting lap dances and the rest of it. Porn was easy, I already knew people in the industry and so I jumped in. I should correct myself—porn seemed like it would be easy. I started out with a different name, Tatum Pierce, and early on, I just dabbled in it. I didn't find anything that I really liked doing, and didn't find an audience that I thought could grasp my look, so I guess I just didn't give porn a chance at the time. So a couple of years went by, and then when I got back in again, I came back as Brandy Aniston and the rest is history. I found a whole new love for performing again. Anyone who knows me in porn knows that I am very focused on my acting performances. I've had a long career so far, but it was very slow moving at first. I've worked really hard at it, and now I not only feel like I'm right where I should be, I'm really excited about the next few years.

BRANDY: I have never been a slut, but at the same time, I've never been at all uptight about sex at all. So performing sex on camera was empowering for me, and I am weirdly fixated on the fact that people like watching me, and people have fantasies about me. On the flip side, I am very sexual at home and have very solid, monogamous sexual relationships in my personal life. Or so they thought! I was not the greatest girlfriend, I snuck around and did things. But once I started doing porn, all of that behavior went away. I got to work out all my sexual issues on camera. I definitely feel like there's a switch that gets flipped in me when that camera turns on, it's a very real sexual obsession. When I'm on camera I get really turned on by rough stuff. I'm really picky, but if it's the right performer, the right set-up, the right space, I love drool, spit, slapping, choking, hair pulling, if it's the right guy. But at home, because porn has jaded me, I have a fixation on really young girls. It's so bad! I like young girls, and young girls getting taken on by four guys. I also love DPs, and lately I've developed this weird thing for big butts and Asian girls! I'm Thai and Armenian, so I guess it's the little Asian girl in me coming out. In fact, I think I am the only Thai-Armenian performing in the porn business, and I like that! There's a huge difference between sex at work and sex at home for me. What I perform and what I watch are totally different things!

BRANDY: I started growing my bush because I wasn't doing a lot of shooting for a while, and so it just sounded fun. I also realized that when I watch porn at home, I go for girls with bush. I love Dani Daniels, I think she's so sexy and her bush is incredible! When I was little I would sneak into my parents' bedroom and steal their porn. And every girl had bush, so that's what I thought was normal! I so wish that I had been alive in the Seventies! When I was in school, my first boyfriend stuck his hand down my pants and felt some hair down there. And then he told the whole school that I didn't shave, and made so much fun of me because I didn't. And I got really depressed about that. So from then on I shaved for years and years and years. But now that I'm grown up, and I'm a woman in porn, I think, fuck that! Fuck that boy! I've known that I was really into girls since high school, because I started watching porn movies with only girls in them. One of the first times I ever experimented with party favors was when I was with my best friend, it happened to be Tanya James, and I confessed to her that I was having these secret fantasies about girls, and she said that she was having the same ones! So we'd touch each other and do other things, but I finally totally went for it for the first time immediately right after high school with another girl. Then I started stripping and it was all over, I was hooking up with girls more than guys. I went through a really weird bisexual phase. I had a boyfriend, but I would go and fuck girls all the time behind his back. After a while I started bringing them home, but wouldn't let him fuck them, I was really mean. Then I started doing porn, and realized that I could have girls any time I wanted. So now I'm more back into boys again, it's really weird, I go back and forth.

Brandy leaves black stockings and spiked high heels on throughout, flawlessly nailing each position and opening to the cameras while enjoying the bang out. In response to her saying she doesn't own an Hitachi Wand vibrator, Eric John goes into hyper vibration mode while inserted into Brandy's hot pocket.

"Just like the naked cowboy," she remarks. "The vibrating porn star!"

After open-to-the-camera cowgirl, she takes the load on her rack, being careful to porn glorify this delivery of jizzical currency.

Later, Eric John sits at the computer and says, "It's only my fourth on-camera cum shot of the day for those of you keeping track."

Then it's sign-off time.

"All over," Brandy says into the cameras. "Thanks for raining on me! See you later!"

Being an aural, as well as an oral (of course) performance aficionado, I've been lulled into a state of submission and heroine worship by being sonically bathed with the bel canto clear tones of Brandy Aniston's OH FUCK! OH SHIT! RIGHT THERE! vocalizations while being reamed, which have filled this high ceilinged music hall of a porno studio for the last hour or so. Brandy Aniston shows up. It's fucking time. 🐱
